二、答题注意事项：

1、查看答题卡，自行选择答题顺序：

Directions: There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices labeled A, B, C and D. You should decide on the best choice and mark the corresponding letter.

In department stores and closets all over the world, they are waiting. Their outward appearance seems rather appealing because they come in a variety of styles, textures and colors. But they are ultimately the biggest deception that exists in the fashion industry today. What are they? They are high heels—a woman's enemy (whether she knows it or not). High heel shoes are the downfall of modern society. Fashion myths have led women to believe that they are more beautiful or sophisticated for wearing heels, but in reality, heels succeed in posing short- and long-term hardships. Women should fight the high heel industry by refusing to wear or purchase high heel shoes in order to save the world from unnecessary physical and psychological suffering.

From the sake of fairness, it must be noted that there is a positive side to high heels. First, heels are excellent for aerating (使透气) lawns. Anyone who has ever worn heels on grass knows what I am talking about. A simple trip around the yard in a pair of those babies eliminates all need to call for a lawn care specialist, and provides the perfect-sized holes to give any lawn oxygen without all those messy chunks of dirt lying around. Second, heels are quite functional for defense against oncoming enemies, who can easily be scared away by threatening them with a pair of these sharp, deadly fashion accessories.

Regardless of such practical uses for heels, the fact remains that wearing high
